***** IMPORTANT NOTICE *****

Dear Colleagues and Friends.

Faced with the present situation with COVID 19 in the region, and the increase in cancellation of certain air services to our neighboring countries; We want to inform you that Uruguay currently continues to operate normally, and we can offer our Transshipment services.

Uruguay works under the Free Port and Airport system, which allows us to operate as a HUB for our region. Thus being able to change the mode of transport, repackaging, and make Transshipments to other destinations in an agile and simple way.

Given the aforementioned situation, we are in a position to receive air shipments, if necessary, change their modality, and send them to their destination through our Transit services that are detailed below:

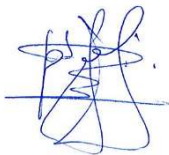

- MVD - ROSARIO - CORDOBA - Weekly, Truck service. T / T 3 days.
- MVD - ASUNCION - Service every 10 days, Truck. T / T 3 days.
- MVD - ASUNCION – Fortnightly service - T / T 12 days
- MVD - BUENOS AIRES - SPOT Service. Truck. Please consult. T / T 3 days
- MVD - SANTA CRUZ - Biweekly service - T / T 8 days.

For all operations, it will always be a requirement to have a copy (via email) of the commercial invoice, but we recommend checking case by case before proceeding with any shipment.

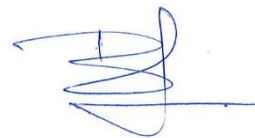

We hope that everyone is well, healthy, and safe.

If you have any questions, please contact: comercial@uy.sacoshipping.com

Greetings.
